

Store Launch Checklist

Everything to go live and take your first order.

Foundation

- US LLC + EIN (see the LLC section) for payments and credibility.
- Business bank account + Stripe/PayPal connected.
- Domain + business email.

Store setup

- Clean theme; logo, favicon, brand colors set.
- Hero + collection banners (use the AI Banner Generator).
- Pages: Shipping, Returns, Privacy, Terms, Contact, About (use the Policies Pack).
- Announcement bar with your offer; trust badges near the buy button.

Products

- 3-8 strong products; benefit-led titles + descriptions.
- 5+ clean images per product; price for 3x+ margin.
- Upsells / bundles configured.

Before launch

- Test checkout end-to-end (place a real test order).
- Mobile check - 70%+ of traffic is mobile.
- Analytics + Meta Pixel firing.
- Shipping rates and delivery times accurate.

Not legal/tax advice. Verify current rates and rules for your situation.
